

The Backyard Resort

Roswell, Georgia

*D*esigned to function as a back yard family respite, this private enclosed courtyard features, a grill station, outdoor fireplace, splash pool/koi pond and oversized playscape. Tucked between the house and a 40 foot slope, this closed in area assures privacy within an intimate, nurturing environment

*T*he heart of this outdoor den is the fireplace detailed with keystones, corbels and a stone mantle. This patio serves as the hub of activity, while discretely allowing for outdoor grilling and dinin. The bridge spanning the pool sits atop a wall separating the Koi pond and splash pool, but also serves to connect the house and children's play area for quick access.

*W*ith a rustic finish, this space is both warm and versatile while lending itself to multiple activities. A heated pool, covered arbor and fireplace ensure year round enjoyment. Whether quietly reading a book or entertaining, this private garden offers and soundtextures and fragrance, music andentertainment. This respite is designed to turn the house into a home.
